

Eco-friendly Bags

You asked for them.
Here they are!

There are two types of eco-friendly bag for you to offer your customers, a strong vest carrier and an extra-strong patch handle carrier. You can now order carrier bags as part of your usual Palmer and Harvey order.

Patch Handle Carrier

Order Code: 29053

Price: £24.94 per 500 (5p per bag)

Features: Made from a minimum of 50% recycled post consumer waste. Very heavy duty (45 micron) which makes it fully reusable.

Bar-coded so you can charge out to your customers. Shaped to act as a very effective '3 bottle wine' bottle or '2 four-pack beer' bag.

Strong Vest Carrier

Order Code: 29052

Price: £18.06 per 1000 (1.8p per bag)

Features: Made from 2% EPI additive, which reduces the degrading process and makes this bag a much more eco-friendly option than standard carriers as it will be biodegradable within 20-36 months from manufacture

(subject to correct disposal conditions). Stronger than standard vest carriers, at 18 micron, this bag will easily cope with day-to-day purchases. Bar-coded so you can charge out to your customers.

Mace Branded Thermal Till Rolls
